CONFERENCE AT LAUSANNE OPENS

Hopes for Peace Voiced at Formal Session by British Foreign Minister and Turkish Spokesman.

ACTIVE BUSINESS WILL BE COMMENCED TODAY

With Million Innocent, Homeless, Hungry Wanderers, Ottoman Empire Seeks Peace, Says Ismet Pasha

LAUSANNE, Nov. 20.—Hope that peace on earth would result from the labors of the Near Eastern conference was voiced by the speakers at the brief opening session today.

This sentiment was voiced first by President Haab, of the Swiss Confederation, who presided over the opening plenary meeting, and it was dwelt upon by both Lord Curzon and Ismet Pasha in their responses in behalf of the numerous delegations assembled in the Lausanne casino, where the impressive inaugural ceremony was held.

Today's sitting required only half an hour and tomorrow morning the business of the conference will be actively begun.

Americans Present
Richard Washburn Child, American ambassador to Italy, and Joseph C. Grew, minister to Switzerland, the two principal American representatives, were seated prominently in the front row of the auditorium beside Premier Poincaré, of France, and received a warm welcome from the delegates from other lands.

The prospects of American activity in the conference, which many of the foreigners appear to interpret as the launching of a new American policy in Europe and the presence of a strong delegation from Japan, gave world wide significance to the convalescence.

Musolini Outstanding
Benito Mussolini, the new strong man of Italy, with his air of alert determination, drew eyes as he moved to his place not far from Venizelos, whose activities and popularity practically forced the abdication of a Greek king and who was here to apply all his diplomatic skill to save what he can for his country in the peace with Turkey which the conference is to formulate.

FINDS CONDITIONS IN EUROPE BETTER

SENATOR SIR GEORGE FOSTER RETURNS FROM TOUR

Affairs Generally Improving, He States, But Situation in Germany Most Acute

NEW YORK, Nov. 20.—Senator Sir George Foster, former Minister of Trade and Commerce for Canada, arrived this afternoon on the steamship Orduna from Hamburg, on his way back to Ottawa from an extensive tour through Europe. Senator Foster said that, generally speaking, conditions in Europe were improving, but the situation in Germany was still most acute.

Would Reduce Reparations
He expressed the view that salvation for Germany must come through the stabilizing of the mark in order that the German manufacturers might make long term contracts. He favored a reduction in German reparations to a more reasonable amount and suggested that the best solution of the reparation problem would be a moratorium for the next two years.

International Loan
He thought that a substantial international loan should be made to Germany similar to the 10,000,000 pound loan to Austria. A loan of this character, he said, would help to stabilize business, which, in turn, would stabilize Germany.

Traveling through Germany, Sir George said he found the people of that country pessimistic regarding the future. They are spending what they have today, rather than saving, because of the shrinkage of the mark.

Fascist Gain Strength
He said that the Fascist movement, which is paramount in Italy today, has already entered Bavaria and seems likely to sweep through the whole of Germany.

BOILER EXPLODES

Both Engineer and Fireman on Pacific Great Eastern Escape

QUEBEC, B. C., Nov. 20.—The formation of gas in the oil is believed to have caused a boiler explosion in a locomotive of the Pacific Great Eastern here Sunday morning. The firebox and boiler were shattered, but both engineer and fireman, who were in the cab at the time, escaped without injury.

TRADE NEGOTIATIONS

Hon. J. A. Robb in Melbourne Forming Reciprocal Agreement

MELBOURNE, Nov. 20.—Negotiations were begun today between representatives of the Commonwealth Government and Hon. J. A. Robb, Canadian Minister of Trade and Commerce, looking to the adoption of a reciprocal trade agreement between Australia and Canada.

Recognize Labor Man Opposition Leader in The New Parliament

Premier Bonar Law's Action in Greeting Mr. John R. Clynes Accepted at Once as Settling Point of Controversy Since British Election—Mr. Lloyd George Misses Opening

SMOOTH PASSAGE OF IRISH BILL THROUGH COMMONS EXPECTED

LONDON, Nov. 20.—Right Hon. John R. Clynes was recognized as the leader of the Opposition in Parliament today after the members of the House had scrambled in good-natured but intense rivalry to tag their favorite seats. Prime Minister Bonar Law was given a great ovation by his supporters, and Mr. Clynes by his.

When "Black Rod" summoned the members to the House of Lords, the Prime Minister went first, but was joined immediately by Mr. Clynes.

Shook Hands Cordially

They shook hands cordially and walked out together. The significance of this was accepted at once as settling what has been a point of controversy since the election.

The Commons re-elected J. H. Whitley Speaker, and then adjourned for the state opening of Parliament next Thursday. Even among the pleasanties of the occasion, there were signs of temper on edge. During the formal procedure in the House of Lords, a member of Parliament, standing in the gallery, shouted: "We'll sack the lot!" and an end of tranquility. Order was called.

When Mr. Clynes entered, a Communist supporter hissed: "That's the little man who worried them." There were cheers and jeers.

Mr. Lloyd George Absent
Then in honor of Mr. Whitley some new members shook the House by starting to sing "For He's a Jolly Good Fellow." But were quickly hushed. There was much tension, in anticipation of the appearance of Right Hon. David Lloyd George, but he did not attend. A friend, however, tagged for him a coveted corner seat with the National Liberals in the two front benches below the gangway on the left. The Asquithians are behind them, though Mr. Herbert Asquith took his old seat on the Opposition bench. Mr. Clynes, with the Right Hon. Austen Chamberlain, on the Government bench opposite Mr. Lloyd George, in the very seat his father took when he broke away from Gladstone.

Lady Astor left her house before

This Afternoon Talk on Budget By Mr. Bowser

MR. W. J. BOWSER, K.C., leader of the Conservative Opposition in the Legislature, will make his contribution to the budget debate this afternoon. He has always been a trenchant critic of the Government on its financial policies, and it is a certainty that the galleries will be filled when he takes the floor. The Opposition leader will commence his speech shortly after the House opens, and it is probable that he will occupy the greater part of the afternoon sitting. Premier Oliver is expected to follow the Opposition leader.

her usual breakfast time this morning to obtain a good seat in the House, but although she arrived at 10 o'clock, she found that a number of her fellow members had inserted cards in the best seats. She hastily procured a card and stuck it into the corner seat on the government side, where Lord Carson once sat. Then she hurried to her seat. In a few minutes a colonel came in in such a hurry that he was almost breathless, and sat down next to her. Lady Astor was astonished to find here was Col. John Grettton, chairman of the House of Commons.

MANY FACTORIES COMING TO B. C.

Dr. J. W. Ross, Canadian Trade Commissioner to China, Believes Pacific Coast Will Draw Eastern Concerns

BUSINESS MEN INVITED TO CONFER AS TO TRADE

If Dominion Wishes to Become More Than an Agricultural Country, Vast Fields for Trade Lie in Orient

MANY Eastern Canadian manufacturing establishments will locate branch factories or move their whole works to the Pacific Coast in increasing numbers during the next few years in order to take advantage of the vast possibilities of trade with the Far East, Dr. J. W. Ross, Canadian trade commissioner to China, told directors of the Chamber of Commerce yesterday at their luncheon in the Dominion Hotel. "If Canadians wish to regard their country as an agricultural country for all time and ignore the manufacturing opportunities, well and good; but if Canada is seeking greatness as a manufacturing nation she has a tremendous field in the Orient and in Siberia," said Dr. Ross. "Your logical markets are over there across the Pacific, and they should be cultivated if you would make the most of your natural advantage. The long haul is a serious handicap to Eastern manufacturers who are trying to reach out for business in China and Japan, and it is a fact that will lead to important industrial advances in British Columbia."

Will Meet Businessmen
Dr. Ross will be here until Thursday and will make the Chamber of Commerce offices his headquarters for meeting Victoria businessmen interested in the Far East trade. Yesterday he made preliminary arrangements with the Sidney Roofing Company for exhibits at the big Canadian industrial display at Shanghai. Dr. Ross told directors about the scheme. The exportable manufactured products of British Columbia and other provinces of Canada will be placed on display in Shanghai with a view to interesting Chinese buyers in business with this country, said Dr. Ross.

He said that Victoria could not expect to be a primary business center from the Far East, but that this (Continued on Page 20)

Visiting France For Memorials

HON. R. LEMIEUX

PARIS, Nov. 20.—Hon. R. Lemieux, Speaker of the Canadian House of Commons, was received today by President Millerand, who discussed with him plans for the erection of Canadian war memorials in France. According to Mr. Lemieux, the interview was highly satisfactory. It has been decided to erect five such memorials in France and three in Belgium. Brigadier-General H. T. Hughes and Lieutenant-Colonel J. E. Osborne, associated with Mr. Lemieux in the work.

TO PARTICIPATE IN EXHIBITION

Canada's Productions Will Be Shown at Wembley Park in Pavilion Covering 150,000 Square Feet

ESTIMATE ATTENDANCE AT OVER TEN MILLION

Australia Taking Same Space as Canada—Will Spend \$1,250,000 on Display in Empire Exhibition

OTTAWA, Nov. 20.—Canada will participate in the British Empire exhibition to be held at Wembley Park, near London, in 1924, and will have a pavilion covering approximately 150,000 square feet of space. It was announced by Hon. Charles Stewart, Minister of the Interior, in his interview this afternoon with Major E. A. Belcher, assistant general manager of the exhibition, and head of the mission which has toured the provinces and placed the matter of participation before the various governments.

Expenditure Not Stated

The amount of money which it is proposed to spend on the Canadian exhibit for the occasion was not stated. The space being taken, however, is the same as that being taken by Australia, which is spending \$1,250,000 on its display of Australian products for the exhibition.

Provincial Exhibits

Major Belcher expressed satisfaction with the result of his tour of Canada. The provincial governments, he stated, had all been enthusiastic in their support of the proposals placed before them and the government of Canada had announced its intention of taking a pavilion of approximately 150,000 square feet at an expenditure of \$50,000.

One of Best Sites

One of the best sites on the exhibition grounds has been reserved for the Canadian pavilion. Major Belcher stated, and he was confident that the exhibit of Canada's products and natural resources would be one of the best on the grounds.

The exhibition will continue six months, from April, 1924, and on a conservative basis it is estimated that more than ten million people will attend.

TO CANCEL LICENCE OF DIRTY DAIRIES

Medical Health Officer Tells the Council of Plan to Curb Sale of Impure Milk Here

Vendors of dirty milk in Victoria will have to mend their ways or they will be put out of business, Dr. Arthur G. Price, Medical Health Officer, told the City Council last night.

Dr. Price said that he was recommending a provision in the by-law whereby power will be given to suspend the licence of any vendor who on more than one occasion is found selling impure milk.

"Such will place no hardship on the vendors and I feel it will make careless ones more careful in the handling and straining of their milk," Dr. Price reported. "If seventy-five vendors have been able to turn out clean milk on every occasion when their milk was examined, there is no reason why all should not do so well."

Results of Tests

Dr. Price submitted a document showing the result of tests carried out during the last ten months. The names of 113 vendors were on the list and reports given of 415 tests. Three hundred and sixty-four samples were found to be clean, twenty-seven dirty and twenty-four "fairly clean." Of the (Continued on Page 20)

CASH OBTAINABLE FOR VICTORY BONDS SOON

Issues Maturing December 1st Will Be Converted at Chartered Banks Without Expense to Holders on That Date—Must Be Delivered for Examination and Listing Four Days Previous

Cease to Bear Interest After Date of Maturity

OTTAWA, Nov. 20.—In a statement issued this evening, the Department of Finance announces that holders of 1922 Victory bonds, due December 1, can have their bonds paid off in cash at any branch of any chartered bank in Canada. As the total amount of the bond issue maturing on December 1 is \$178,000,000, and conversions totalled more than \$100,000,000, cash payments for bonds will be in the neighborhood of \$78,000,000.

The statement from the Department follows:

At Chartered Banks

"Under the terms, the principal of these bonds is payable only at the Department of Finance, Ottawa, and at the offices of the Assistant Receivers-General at Charlottetown, Halifax, St. John, Montreal, Toronto, Winnipeg, Regina, Calgary and Victoria. In addition to the greater convenience of the public, the Minister of Finance has entered into special arrangements with the chartered banks for the payment of the bonds through their branches without expense to holders."

Prior Delivery

"In order that holders may receive cash promptly after the maturity, it will be necessary, when dealing through a bank, to deliver the bonds for examination and listing at least four days prior to December 1. Correspondingly, if bonds are presented to a bank on or after December 1, holders must be prepared to grant a few days for examination and verification before payment is effected."

Only on Surrender

"The banks have received full instructions as to the form of endorsement required from holders of registered bonds."

Officials of the Department state that it appears from inquiries received that some holders have the impression that the principal of the bonds will be sent out by cheque automatically, as the interest is, in the case of registered bonds. It is pointed out that payment of the principal can be effected only on surrender of the bonds themselves.

Cease to Bear Interest

Attention is also directed to the fact that the bonds cease to bear interest on the maturity date. If held thereafter, claims for further interest cannot be entertained.

WHITE DIGGERS IN CLASH WITH BLACKS

NATIVES KILLED IN DISTURBANCE IN DIAMOND FIELDS

European Arm to Assist Peace Officers in Quelling Disturbances—Thirty-Three Arrests Made

JOHANNESBURG, S. A., Nov. 20.—A fight which began between European diamond diggers and native kaapla here last night culminated in three hundred natives attacking two policemen. A number of the white diggers immediately armed themselves and went to the assistance of the peace officers, and a general disturbance ensued. In the battle two natives were killed, three were seriously wounded and the remainder fled and took refuge in the surrounding kopjes. Thirty-three arrests were made.

BROTHER OF PRISON HUNGER STRIKER IN WASHINGTON FOR AID

WASHINGTON, Nov. 20.—Peter J. MacSwiney, brother of Terrence MacSwiney, who died in London as a hunger striker, came to Washington today in an effort to enlist President Harding's aid in behalf of his sister, Mary MacSwiney, who is on a hunger strike in Dublin prison. Announcing that he had written a letter to the President today asking for an appointment, Mr. MacSwiney said he intended to leave no stone unturned in his effort to save his sister's life.

SPECIAL SESSION OF CONGRESS TO BE SHORT

WASHINGTON, Nov. 20.—The sixty-seventh Congress formally opened its doors today for the third session, but it did little more than actually get on the job. Its life as a special session will be only two weeks, but in that time it is the hope of President Harding that the substantial program will be made on the administration's merchant marine programme and considerable advance work done on the annual supply bills which must be handled in the regular session beginning on December 4.

FATALLY INJURED

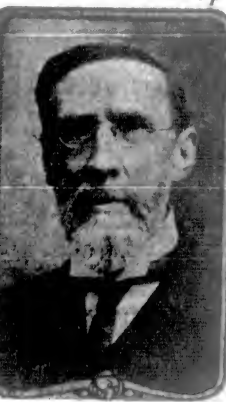

Struck by Flying Cable at Gambler Island, Logger Dies in Hospital

VANCOUVER, B. C., Nov. 20.—A fatality injured when struck by a flying cable and killed at the T. B. Anderson lumber camp at McNab Creek, Gambler Island, David James Scott, aged 38, died in St. Paul's hospital this morning.

Finally Forms German Cabinet

BERLIN, Nov. 20.—Wilhelm Cuno's German's fifteenth Chancellor, and the first non-parliamentary holder of that post in the new republic. He has succeeded in forming his new cabinet, but announcement of its members will not be made officially until tomorrow.

Back From Europe

SENATOR SIR GEORGE FOSTER

SHIP DEATH TOLL BELIEVED EIGHTY

LIST OF DEAD GROWS IN MEXICAN DISASTER

MEXICALI, Lower California, Nov. 20.—A new estimate of eighty lives lost in the disaster to the steamer Topolobampo early yesterday at La Bamba, sixty miles south of Mexicali, on the Gulf of California, was received here today.

Swim to Shore

MEXICALI, Inbound from Guaymas, was called by wireless from La Bamba, nearest port to the scene of the wreck and went to the rescue, saving several persons. Most of the survivors saved themselves by swimming half a mile to shore.

The greater part of the lost are believed to have been women and children. All aboard the Topolobampo, was aboard, and with the ton fields of Lower California.

A Librado, owner of the Topolobampo, was aboard, and with the captain was brought to Mexicali to (Continued on Page 20)

LEGISLATURE VOTES ORIENTAL EXCLUSION

Unanimous in Its Decision to Reel Amendment to Immigration Act to Prohibit Asiatic Inflow

Without a dissenting voice the Legislature yesterday afternoon approved the resolution presented by Hon. William Sloan, Minister of Mines, calling for an amendment to the Immigration Act to "completely prohibit Asiatic immigration into Canada."

The debate on the motion has occupied several days and at times it looked as if there would be a very sharp division of opinion, but with the elimination of the Bowser amendment last week the ground was left clear and all parties supported the Minister of Mines' motion.

Hon. T. D. Pattullo, Minister of Lands, was the last speaker in the debate. The House, he considered, was in unison on the question, and of the members, he felt, had been endeavoring to make a political football of the question, but deep down in their hearts they did not differ in policy from the Government members.

The terms of the resolution were about as far as the House could go.

Difference Between Races

The Minister said that in passing the resolution the House was showing no ill-will against the Orientals, but it was recognized that biologically there (Continued on Page 20)

CANADA'S PRODUCTION OF BIG IRON LARGER

OTTAWA, Nov. 20.—The production of pig iron in Canada during October showed an increase of 11,814 gross tons, or 47.7 per cent over September, according to figures compiled by the Dominion Bureau of Statistics. It amounted to 36,683 tons, as against 24,874 tons in the previous month. Although the October production showed an increase and was the greatest since last March, it was still below the monthly average for 1921. During the ten months ended October the average monthly production of pig iron was 31,387 tons this year, as compared

with a monthly average of 29,973 tons in the same period last year. The output of steel ingots and castings in Canada during October, amounting to 52,735 gross tons, an increase of 47.2 per cent over the September production of 35,747 tons, was reported.

PRINCE RUPERT CLUBS PAY HEAVY BEER FINES

PRINCE RUPERT, Nov. 20.—On a charge of having sold liquor, Harry Killas was today sentenced to six months in jail. Three clubs, the Citizens', the Travelers' and A. A. clubs, were each ordered to pay a fine of \$1,000 for selling beer.

Smallest Parliament Since 1801 Is Opened

Question of Official Opposition in House of Commons Still Remains of Paramount Importance, Labor, Disputing Liberals' Claim, Divided on Leadership—Speaker Whitley Re-elected

LONDON, Nov. 20.—A Parliament in which Ireland, with the exception of part of Ulster, is not represented, and in which the Labor party appears as the chief contender for recognition as the opposition, opened at 2:45 o'clock this afternoon.

The proceedings started with the usual formalities. The Clerk of the Crown presented to the Clerk of the House a book containing a list of the members' names, after which a message was received requesting the immediate attendance of the members of the House of Lords, where they were instructed that their first duty was the election of the Speaker. Returning to the House of Commons, the members, following tradition, found the Speaker's chair vacant.

Re-elected Speaker
For a moment the clerk assumed charge of the proceedings, but instead of speaking he merely pointed a finger at T. P. O'Connor, "father of the House," who promptly proposed Mr. John Henry Whitley for re-election. When this choice had been confirmed without a dissenting voice, the House adjourned to consider the king's formal assent to his choice of Speaker.

Smallest Since 1801
The parliament that opened this afternoon is the smallest since the union with Ireland in 1801. This session just concluded was the thirty-first parliament of the United Kingdom of Great Britain and Ireland, but Ireland, with the exception of a part of Ulster, is no longer represented in the imperial legislative body, whose membership is correspondingly reduced. What official designation parliament will take in view of the changed circumstances is as yet unknown.

The Opposition
The question as to which party will be recognized as the official opposition remained the question of paramount interest as parliament assembled. The Laborites have asserted an uncompromising claim to this position on numerical strength, but rumors are current that their claim will be disputed by the Liberals. In this connection The Times parliamentary correspondent is of the opinion that the difficulty may become acute, and asserts that the Liberals will not concede the Laborites' claim to recognition as the party most capable of forming an alternative government in the event that the newly-established ministry is defeated. The writer anticipates that some form of a compromise will be effected.

Advices Walkout
The Daily Herald, Labor's official paper, which may be assumed to know the intentions of the leaders of that party, says today: "If the Speaker should not immediately concede the Labor Party's claim to the position of official opposition by calling upon its leader to speak first in the initial debate, then the Labor Party should immediately walk out of the House in a body."

The situation is complicated by the possibility, which, however, is still

SULTAN BECOMES AN ORDINARY PERSONAGE

Titles Belong to Tragical Past, Turkish Press Says, in Scoring 'Mohammed VI for Flight'

CONSTANTINOPLE, Nov. 20.—Sultan Mohammed's flight from Constantinople has unlocked the wrath of the Turkish press. The Vakit, which usually is moderate, says: "The ex-Sultan's departure is simply the flight of a traitor who already had fallen from power and had become simply an ordinary person."

"His escape is a common police incident; his titles belong to the tragical past."

"None So Base"

The New York Times says: "In the whole Turkish history there has been no such contemptible act as the ex-Sultan's abandonment of the seat of caliphate for the protection of a foreign government."

The Review says: "Of the thirty-six Sultans giving the Ottoman dynasty to the Turkish nation, there never has been one so base."

OKANAGAN APPLES IN LEAD AT SEATTLE

VANCOUVER, Nov. 20.—British Columbia apples from the Okanagan were to the front at the recent apple show in Seattle. Various varieties from the farm of R. Leckie Ewing, of Ewing's Landing, winning three firsts, a second and two thirds in the box exhibit, and three firsts and two seconds in the plate display.

POLITICAL INTRIGUE NOT POLICY OF C.P.R.

President Beatty Insists Influence in Politics, Civic or Dominion—Rates Coming Down

TORONTO, Nov. 20.—Emphatic denial was made by E. W. Beatty, president of the Canadian Pacific Railway, at a luncheon given by Lieutenant Governor Colonel Harry Cockburn in Government House Saturday, that the C.P.R. seeks or tries to exert any influence in politics, either civic or Dominion.

Mr. Beatty said that "in the heat of controversy" an intimation had been made that the C.P.R. had a financial interest in certain newspapers. "I don't know who owns your newspapers, and I can't say that I care very much," said Mr. Beatty. "but the C.P.R. has no interest in them, and not a bit of influence can be used to influence them on behalf of the C.P.R. Political intrigue and machinations are not our methods. We are in the business of selling transportation."

Lowered in World
Mr. Beatty claimed that C.P.R. rates were the lowest in the world. "Our rate on grain to Fort William is 24 per cent lower than the rate in the United States for a similar distance. Railways cannot be blamed for business depression. We have sought to bring our rates down as early as possible, but as uniformly as possible. Mr. Hanna will agree with me on that. We hope to reduce the rates still further, but that depends on the ability to reduce the costs," he said.

**Concert Receipts
Seized for Taxes**
Federal Inland Revenue Officials Attend Galt-Curti Concert and Collect Two Years' Arrears

OTTAWA, Nov. 19.—Mme. Galt-Curti, who sang at a local theatre Wednesday evening, had her share of the gate receipts seized by Federal Inland Revenue officers for failing to pay income tax on previous concerts held in Canada. The famous singer attended here on a security per cent gate receipt basis and her share exceeded \$2,000. This amount was seized.

Mme. Galt-Curti has been singing in different parts of the Dominion for the last two years without paying any Federal income tax. All her earnings in Canada are subject to taxation, income officials stated.

That the singer had anticipated such a move by the Federal authorities on this occasion is evident, as she was accompanied by her lawyer from New York. After investigating, however, he found that the singer had no redress.

DENIES BRIBE OFFER OF FIFTY THOUSAND

Contradicts Statement by Ralph Connor Regarding Effort to Cause Relaxation in Temperance Act

WINNIPEG, Nov. 19.—Hon. D. W. Craig, Attorney-General, on his return from Ottawa last night, issued a statement denying the statement made by Rev. Dr. G. W. Gordon at the Presbyterian Synod here last week that Mr. Craig had been offered \$50,000 to let up on the enforcement of the Temperance Act, and also denied that he had confirmed the report at Ottawa. Such an offer was not made to him, directly or indirectly, by any one, he said, and Dr. Gordon had evidently drawn an "unwarranted inference" from a "personal reference" he used as an illustration in private conversation with Dr. Gordon.

M. CLEMENCEAU AS FIT AS A MAN OF FIFTY

NEW YORK, Nov. 20.—Georges Clemenceau, who arrived Saturday to begin a lecture tour of the United States at the age of 71, today was persuaded to permit two medical men to give him a thorough overhauling. After the examination they pronounced the vigorous old tiger fit as a man of 50.

The war premier of France decided to place himself in the hands of members of his own profession after he had leaped some grooves at doctors in general.

When Dr. Francois Leclercq, of Morristown, N.J., whom the statesman had known years ago in Paris, began to expound to him, during the early morning call, discoveries which might prolong human life, M. Clemenceau urged him to let them die happy. But Dr. Leclercq insisted that he ought to go to Dr. Frederick Allen, a specialist, and see everything was well with him. The doctor, after a forty-five-minute examination, complimented Clemenceau on his health.

But they drew blood. It was for a blood test. There was a friendly controversy as to who should retain the souvenir.

MR. FRANK BACON IS MOURNED BY MANY

Famous Actor Who Died Sunday Had Appeared Two Thousand Times in Role of "Lightnin' Bill"

CHICAGO, Nov. 20.—Hundreds of thousands of American theatre-goers, rich and poor alike, actors and actresses, today mourned the death of Frank Bacon, "Lightnin' Bill," who won wide fame in the play of "Lightnin' Bill," as preparations were being made for the memorial and funeral services scheduled for Wednesday.

The famous actor died Sunday morning, a little over one week after retiring from the role in which he had appeared since two thousand times—a record run for any one play.

AT LAUSANNE

Representatives of the Powers are here in conference at Lausanne with the object of making a peace settlement in the Near East. The work is going to prove one of the most difficult, that is in the settlement of the Armenian question. Since the signing of the Armistice, the Turkish side has been in a position to make the Turkish side in the Near East. The Turkish side has been in a position to make the Turkish side in the Near East. The Turkish side has been in a position to make the Turkish side in the Near East.

A CANVAS FOR FUNDS

The Community Chest Drive is now in its final stages. The drive is a campaign for the collection of funds for the various social and welfare organizations in the city. The drive is a campaign for the collection of funds for the various social and welfare organizations in the city. The drive is a campaign for the collection of funds for the various social and welfare organizations in the city.

For the first time in this country, the word "League" has been used to describe a group of people. The word "League" has been used to describe a group of people. The word "League" has been used to describe a group of people.

National economy and reduced taxation were the outstanding issues in the recent elections. The people voted substantially and heavily in favor of both. They voted to give the government a chance to develop.

Mr. Marshall, who made a brilliant speech on the evening of the 20th, has been elected to the position of Minister of Finance. His election is a great success for the government. His election is a great success for the government.

"At the present time," says Lord Robert Cecil, "character counts more than ever before. It is better to have a character of a man than a character of a man. It is better to have a character of a man than a character of a man."

The Fascist in Italy came into existence for the purpose of protecting the community from external influences. The Fascist in Italy came into existence for the purpose of protecting the community from external influences. The Fascist in Italy came into existence for the purpose of protecting the community from external influences.

MENTAL INDIGESTION

The literary review, in an article which gives occasion for thought, deals with the disadvantages which are in the fact that the tempo of modern life is faster than it was in the past. In the past, the tempo of modern life is faster than it was in the past. In the past, the tempo of modern life is faster than it was in the past.

The character of present-day community life strikes one as being in a state of transition. The character of present-day community life strikes one as being in a state of transition. The character of present-day community life strikes one as being in a state of transition.

This criticism may be overdone, but it is well founded. The fact is that people nowadays take too little time for reflection and thought. The fact is that people nowadays take too little time for reflection and thought.

There is no doubt as to the fact that the word "League" has been used to describe a group of people. There is no doubt as to the fact that the word "League" has been used to describe a group of people. There is no doubt as to the fact that the word "League" has been used to describe a group of people.

COAL STATISTICS ARE ISSUED FROM OTTAWA

Detailed Information of Production, Imports and Exports, Capital Investment, Men Employed

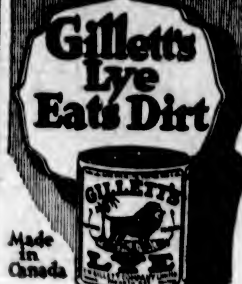

A comprehensive review of the coal industry in Canada, covering the three years 1919-20-21, is given in a report issued today by the Dominion Bureau of Statistics. The report contains 115 pages of tabular matter showing in detail the production of coal by province, the output by collieries, the imports of coal by ports of entry, and the exports of Canadian coal, will do much to meet the need, several tables are given descriptive of the organization and progress of the coal mining industry with particular regard to the capital investment, plant equipment, men employed, time worked, and tonnage lost. The report contains a chapter in which the Dominion situation is reviewed, and there are also separate chapters dealing with the industry of each of the coal-producing provinces.

It is pointed out that the apparent consumption of coal in Canada varies between 30,000,000 and 35,000,000 tons annually, of which approximately one-half is imported from the United States. Canada exports between 3,000,000 and 3,500,000 tons of coal each year. According to the report there were 290 coal mines in active operation in Canada in 1921, working over an area of 713,000 acres.

The total capital invested in the industry at the close of the year was \$178,931,435, of which \$77,000,000 was invested in Nova Scotia; \$23,000,000 in the mines of Alberta; \$1,000,000 in British Columbia; more than \$1,000,000 in Saskatchewan; and over \$1,000,000 in New Brunswick.

The coal mining industry in Canada gives employment to approximately 80,000 men, and the wage bill for 1921 amounted to \$43,752,421. In addition to this amount, \$2,512,233 was paid to salaried officials numbering about 1,000 in all.

The report is the most comprehensive review of coal statistics that has been published by the Dominion Government. Copies may be had, free of charge, on application to the

Dominion Bureau of Statistics, at Ottawa.

TECHNICAL PLEA DOES NOT AVAIL APPELLANT

Judge Holds That Word "Term" in Criminal Code Can Only Mean Term of Imprisonment

In the County Court yesterday Judge Lammiman dismissed the appeal of D. McPhee from a conviction by the police magistrate, on a charge of being under the influence of liquor while driving a motor car. As to the facts of the case, the court held that the prosecution had substantiated the police charge. The defence brought witnesses to show that the accused was of a nervous temperament, the result of wounds received in war service; and the court was asked to find that the condition of the defendant, following a collision between his motor car and a street car, one night last September, was the result of nervous shock.

Prison Not Mentioned

Mr. F. C. Elliott, appearing for the defendant, urged that the judge could not define the punishment, even if he found for conviction. Section 248 (C) of the Criminal Code, under which the charge had been laid, said counsel made an accused person, on a second conviction for the offence, liable "to a term of not less than one month."

The court could not read into the statute language which was not there, argued Mr. Elliott. The code might mean to provide for a term of imprisonment, but it had not said so. It had said a "term." It had omitted the words, "of imprisonment," and there were many high authorities in support of the contention that in such a case a judge might say: "I have found you guilty; but the code prescribes a form of imprisonment which is unknown to law, and I will let you go."

Question of Construction

Mr. C. L. Harrison, appearing for the Crown, said that the section as in all such cases, must be read as a whole, in the light of its context; and the context of this section could mean nothing else but that a term of imprisonment was provided.

In adopting this view, and dismissing the appeal, Judge Lammiman held that a court was entitled to construe the criminal code in accordance with the spirit and intent of it; and in this case it was obvious that a term of imprisonment was the penalty contemplated by the statute.

PRAIRIE NEWSPAPER STRONG ADVOCATE OF ALL CANADA HOLIDAY

Editorially, The Calgary Herald deals at considerable length with the question at present being accomplished by Mr. George I. Warren, of Vancouver Island Publicity Bureau, through the Canadian Prairie Provinces, in spreading the doctrine of "See Vancouver Island First."

The Herald heartily agrees with Mr. Warren's contention that Vancouver Island can afford as many advantages in the way of ideal winter climate, scenic beauty and tourist accommodation as the west territory commonly known to Canadians as "The South."

"Many Canadians think it desirable to escape for a time the severer part of the Western Winter," states The Herald. "They go south—not because it is warmer than the Canadian Pacific Coast resorts, but because it sounds warmer. Were they to take exact stock of the situation they would learn that Victoria and the beautiful country tributary to it has a climate as equable as they could desire. And certainly the natural beauty, the facilities for motor touring and outdoor sports, are finer on the Canadian side of the border than farther south. As Canadians, we should buy our holiday in Canada," as Mr. Warren put it, in preference to buying it elsewhere.

Direct Exchange

OTTAWA, Nov. 20.—Arrangements have been made between the Canadian post office department and the Chinese postal administration for a direct exchange of money orders between Canada and China, effective January 1 next.

BOYS' COUNCIL IS ORGANIZED IN CITY

New Body to Produce United Action on Part of Various Boys' Groups —Charlie Gaud is President

The Victoria Boys' Council has been organized at the Y.M.C.A. at a meeting attended by two delegates from each of the various boys' groups in the city.

The result of the election of officers was as follows: President, Charlie Gaud, 17, of the Y.M.C.A.; Vice-President, Joe Ross, 16, of the First Presbyterian Church; Secretary-Treasurer, Bill McEwan, 16, of the Centennial Methodist Church.

The object of the council is to produce united action on the part of all C.B.S.G. groups in community enterprises. Its membership will consist of two elected representatives from each of the organized Tuxie groups of the city, who shall constitute the active members, and two representatives from each of the groups that have not the Tuxie organization, those to form the associate members.

Plans have been made for a Victoria boys' conference to be held on December 8, 9 and 10. The programme agreed upon was as follows: Friday night: Meeting of delegates of the various groups, to be addressed on the subject, "The Challenge of the Fourfold Life."

Saturday night: Decoration banquet, with competition between the groups, scoring to be based on decorated tables, number of members of group present, number present at last Sunday meeting of group, yells and stunts. The subject of an address to be given that evening will be "The Second Line of Defence."

Sunday morning: Each church will be asked to have a special service in which boys participate in regard to the reading of the Scriptures, lessons, announcing of hymns, taking up of the collection, etc., the sermon to be also of an appropriate character.

Sunday night: Mass meeting of boys.

In order to make further plans for this conference, a further meeting of the council will take place on Saturday night at 8:15 at the Y.M.C.A., when all representatives of groups are urged to attend.

EXPLORATION OF THE UPPER AIR

Mr. F. Napier Denison Will Lecture for Astronomical Society This Evening at Girls' Central

Under the auspices of the Royal Astronomical Society, Mr. F. Napier Denison, director of the Meteorological Observatory, Gonsale Heights, will deliver a lecture in the auditorium of the Girls' Central School, Port Street, this evening at 8 o'clock, the subject being "Exploration of the Upper Air." The lecture will be illustrated by lantern slides.

Extensive experimental work has been carried out during the past year at the Observatory by means of air carried over a large area, has been carefully observed, and much valuable information has been recorded. In recent years the operation of aeroplanes in the higher altitudes has disclosed, in the meteorological phenomena and in the expedition of the results of the research work which Mr. Denison will present to the audience will be found material for much interesting contemplation.

The address will be under the auspices of the Victoria Centre of the Royal Astronomical Society of Canada, and those of the public interested are requested to accept this as a cordial invitation to attend.

SUNDAY SCHOOL CONCERT

Miscellaneous Programme Provided for This Evening at Equilmath

This evening the teachers and scholars of the Equilmath Methodist Sunday School will give a concert in the schoolroom. A miscellaneous programme is being arranged, each of the classes being responsible for two items.

Many of the scholars will take part in the programme, which is as follows:

Pianoforte duet by Secretaries Miss K. Howe and Miss S. Thompson. Primary department recitations by May Ford and Johnny Russell. Class 1, recitations, Kathleen Mitchell and Gordon Scott; songs, Herbert Thompson and Ruth Rhodes. Class 2, piano solo, Miss Letitia. Class 3, piano solo, Miss Letitia. Class 4, piano solo, Miss Letitia. Class 5, piano solo, Miss Letitia. Class 6, piano solo, Miss Letitia. Class 7, instrumental.

London News Notes

By E. Montanari

Mrs. Arthur Rogers, M.P.P.

A large number of people, among them the Dewar Countess of Jersey and Miss Bliven Larkin, gathered at the Lyceum Club last week to meet Mrs. Arthur Rogers, M.P.P. of Winnipeg. I heard many complimentary remarks about her address on the subject of the women Canada wants, and one hearer remarked in a hearty way, "I wish all women in public life dressed as charmingly as Mrs. Rogers."

Mrs. Rogers is smiling back to Canada this week, carrying with her many sincere wishes for her speedy return to this side.

There is just one subject at the moment and that is politics. They permeate everything. Mr. Green is very pessimistic over the prospects, for he pointed out that the Bonar Law-Lloyd George excitement the other day caused a new play to pass quite unnoticed.

It was at a theatre the other day that I felt an interesting sidelight thrown on the varying popularity of the politicians. Portraits were thrown on the screen during the interval. The first corner was Mr. Bonar Law, who received a hearty and sincere applause. Lord Balfour and Mr. Winston Churchill received only a perfunctory and polite recognition of their merits. Some of the less-known politicians were scarcely recognized, but when the series ended with the smiling face of Mr. Lloyd George, a hurricane of applause went through every part of the vast house. The Wizard of Wales hasn't lost his hold on the people yet!

Political Women's Clubs

The opening of the new Ladies' Carlton Club on the eve of a general election must have seemed a miracle of happy coincidence to its promoters. The club was formerly the Ladies' Imperial Club, in Dover Street, and it has now moved into palatial new quarters in Lord Balfour's house in Chesterfield Gardens. The club is reserved for women of the Conservative persuasion and members are expected and encouraged to take a hand in politics.

I remember dining in the Dover Street one, invited by an Anglo-Canadian member, and listening with respect and admiration to the earnest talk around me.

In amusing contrast to the serious aims of the club is the latest innovation of the Victoria Club for Ladies, in Grosvenor Place, where a series of dress parades to show off the latest fashions has been inaugurated. Frankly, I think this is a deplorable example of a fatal feminine habit of mixing jam with soap. If women will have them, why try and turn them into something else.

Recent news there are dress parades enough. I was invited to go to one, quite willingly, the other day, and thought most of the clothes dainty, though I heard afterwards that no less a person than Mrs. Anquith had been there, and so was Miss Viola Tree and her little daughter.

Devonshire House

People need to think that the dancing craze was an after-war phase

banjo and mandolin, Messrs. Bligh and Watt, solo, Miss R. Mutch, Class 3, song, Mr. Gus Moshan; song Mr. J. H. A. Warr, Class 5, recitation, Miss Emily Russell, Extra, duet, Phyllis and Doris Lookley, God Save the King.

The superintendent, Mr. A. E. Deaville will preside. Doors will open at 7:30 and the concert will commence at 8 sharp.

That would soon die down, but there are few signs of its decrease. Even the staid Carlton Hotel has fallen a victim and provided dancing space for its diners.

No one can explain why dance music bands should be imported from America, when there are British musicians enough, but I hear from more dances the ocean last month.

The latest dance club will find a home in Devonshire House, so far, the modest sum of two guineas to the end of the year, anyone can take in the ballroom, where the candleabra once lit up a different scene in the day when George, the great Whig Duke, presided over eighteenth century society.

The club has been organized by the Red X, in aid of some hospital charity, so it will probably have a double success.

Related Wedding Present

Princess Mary's wedding seems already many leagues of time away, yet there was an echo of it a day or two ago, when the last of her wedding presents reached her from the far-away Gold Coast.

It became the present Governor of the Gold Coast, General Sir F. G. Guggisberg, in one of those Canadians who have carved out a great career for themselves in such distant parts of the Empire that they do not always receive due honor in their own country.

General Guggisberg was born in Toronto and has done distinguished work in Southern Nigeria, the Gold Coast and Ashanti, both before and since the war.

The Royal presents presented to

Princess Mary at Chesterfield House were sent by the Queen Mother and women of Ashanti, and a sum of £500 got from Africans and Europeans of the Gold Coast Colony and Northern Territories is to be invested for the endowment of a Princess Mary Women's Ward in the new hospital at Accra.

A few days later members of the Press and other interested friends were invited to see a West African film, "Treasure Land," and a picture of the reception of the Ashanti wedding present—silken cloths, gold bowls, a silver stool, etc., from the Queen Mother of Mampoma, on behalf of the women of Ashanti.

Princess Mary at Chesterfield House were sent by the Queen Mother and women of Ashanti, and a sum of £500 got from Africans and Europeans of the Gold Coast Colony and Northern Territories is to be invested for the endowment of a Princess Mary Women's Ward in the new hospital at Accra.

BANK OF MONTREAL

Profit of \$4,745,000 Reported in Annual Statement. Deposits Amount to \$665,617,740

MONTREAL, Nov. 20.—Profits of \$4,745,000 are reported in the annual statement of the Bank of Montreal, issued today. These permitted the payment of the usual dividend and bonus to shareholders. After these payments and making provision for Dominion taxes, reservation for bank premises, etc., the balance carried forward amounted to \$655,515.

Total assets amounted to \$712,469,548, and of this amount liquid assets were \$417,219,492. Included in this cash on hand amounted to \$154,632,190, of which \$47,344,865 is in gold and silver coin. Deposits bearing interest stand at \$164,747,000.

MERVILLE MEETING RECEIVES REPORTS

Delegates to Victoria Tell of Prospects of Better and Promises Made to Fire Sufferers

COURTENAY, Nov. 19.—Mr. A. W. Neill, M.P., has been spending a busy time in the Courtenay district of his constituency, holding no less than three meetings and attending one luncheon since his arrival from Alberni on Thursday afternoon. On Thursday night he addressed a public meeting at Cumberland, and on Friday he visited Merville, where he met the residents of the soldier settlement in public meeting in the schoolhouse. The building was crowded to the doors, and even standing room was at a premium.

Mr. P. L. Anderton, a member of the Courtenay Board of Trade committee that has been seeking a solution of the difficulties confronting Merville, was voted to the chair. He first called upon Mr. Alexander C. Cland, another member of the Board of Trade committee, who told of the recent visit of the delegation to Victoria, where they had put the case of the settlers fully before the Cabinet, saying that optimism prevailed among the members of the delegation representing the Courtenay-Comox Board of Trade and the Comox Agricultural Association.

Hopeful of Outcome
Mr. Charles Pigott followed, and took the same lines as his predecessor,

telling how hopeful he felt as to the ultimate outcome of the meetings with the Government.

Mr. Anderton, chairman, then addressed the meeting, and, after recounting some of the incidents of the visit to Victoria, made the statement that the Hon. E. D. Barrow, Minister of Agriculture, had made a promise to Mr. R. U. Hurford, manager of the Comox Creamery Association, that he would, in company with that gentleman, make a personal survey of the situation at Merville as soon as the Legislature prorogued. Mr. Anderton also dealt with certain charges made by Mr. W. J. Bower and Mr. J. W. Jones, of South Okanagan, on their recent visit to Merville. He criticized Mr. Bower very caustically for breaking the promise made to Mervillites through Mr. R. G. Ker, secretary of the Community Association, not to touch on the Merville situation until a decision had been arrived at by the committee of the Board of Trade and Agricultural Association with the Government. He quoted an article from The Victoria Daily Times of October 18, 1921, to prove that some of the statements made by Mr. Jones were incorrect.

Praise for Committee
Mr. Reekie, a resident of Merville, who had accompanied the delegation to Victoria, had nothing but praise for the work of the joint committee of the two organizations that were assisting them to arrive at a satisfactory solution of the problems facing the Merville people. Though much optimism had been displayed, and while he also was hopeful, he would reserve

judgment until the terms of any settlement would be made public.

He was instrumental in having a vote of thanks passed to the people of Comox, represented by the Board of Trade and Agricultural Association, and submitted a proposal to the meeting that Mr. Thomas Menzies, M.P., be asked to head a deputation comprising as many members of the Legislature as possible and visit Merville.

Mr. Neill speaks

Mr. Neill, on rising, was received with much applause. He was glad to see so many present, and after his introductory remarks, touched on many matters of great import to the district, especially the extension of the E. & N. Railway to Duncan Bay (Campbell River), Oriental immigration, soldiers' civil re-establishment, in which the people of Merville were particularly interested. In seeking a solution of the difficulties confronting Merville, he strongly advised his audience to forget the political aspects, trust their neighbors of the Courtenay-Comox district in finding a fair solution with the Government, failing which, after an honest attempt, they could be excused for making a political issue of it. (Hear, hear, and applause.)

On Saturday Mr. Neill was guest of honor at a luncheon that had been arranged at the Courtenay Hotel by a local committee of his supporters. It was attended by Major H. H. Alderman, H. H. Alderman, and Fielder, representing the city of Courtenay, and many members of the Courtenay-Comox Board of Trade.

On Saturday night Mr. A. W. Neill, M.P., held a public meeting to tell the people of Courtenay and district of the work accomplished during the late session of the House of Commons, Ottawa, and the part he had taken therein.

NANAIMO NEWS NOTES

NANAIMO, Nov. 20.—The time for receiving tenders for the construction of a gymnasium for the Nanaimo schools has been extended until Thursday afternoon next at 5 o'clock.

Mr. Wm. Morrissey, while attempting to crank his auto truck on Saturday evening, sustained a broken arm when the engine "kicked back."

While repairing a gasoline tank in the Taylor Garage on Saturday evening, the fumes in the tank exploded, resulting in painful injuries to Mr. Taylor.

The delegates to the fourth annual general meeting of the Canadian Institute of Mining and Metallurgy who recently held a convention in Vancouver, and who held a session in Nanaimo Friday evening, visited the mines at Cassidy, South Wellington, and also inspected the properties of the Western Fuel Corporation, this city, on Saturday, after which the delegates returned to Vancouver by the afternoon boat.

The funeral of the late William Henry, three months old son of Mr. and Mrs. Angell, took place from Dr. J. Jenkins' Undertaking Parlors Saturday afternoon, the Rev. W. F. Ewing conducting the services.

A farewell reception was tendered recently to Mrs. M. A. Kenny, who is leaving shortly to take up her residence in Vancouver, by the members of the Ladies' Aid of the Wallace Street Methodist Church. The interesting social function was held at the home of Mrs. Irving, who on behalf of the Aid, presented Mrs. Kenny with a purse, while Mrs. McMillan read an address.

The Woman's Auxiliary of St. Ann's Convent will hold their annual bazaar on Wednesday of next week commencing at 2 p. m. The yearling committee have left nothing undone to guarantee success and have prepared a large stock of articles suitable for Christmas presents which will be on sale during the afternoon and evening.

On Monday next the Native Sons and Daughters of this city will give a concert and dance, to be held in the Foresters' Hall, in commemoration of the landing in Nanaimo of the ship Princess Royal on November 27, 1864, which, after a perilous voyage from England, brought the first settlers to the place which was destined to become Nanaimo.

Thirty-seven tables were required to accommodate the one hundred and forty-eight players who attended the Odd Fellows' military whist drive on Saturday evening. Those successful in the event were: First, Fort No. 15, Mrs. Higgins, Mrs. Corbett, Mr. Cooper, Mr. Sharp, Second, Fort No. 21, Mrs. Potter, Mrs. Patterson, Mr. J. Wilson, Mr. Jones, Third, Fort No. 6, Mrs. Dillworth, Mrs. Waugh, Mr. Doherty, Mr. Stobart.

The Girls' Circle Club of South West-

lington recently entertained their mothers and friends at a most enjoyable social. A programme of games and musical numbers was presented, after which refreshments were served.

SOUTH SAANICH

KEATING, Nov. 18.—The regular meeting of the South Saanich Women's Institute was held on Thursday evening with a fair attendance of members and friends. The president, Mrs. Sutton, occupied the chair. The correspondence included an invitation from the Victoria Women's Institute to attend an afternoon tea in their rooms on December 2nd, the funds of which will be devoted to carrying on the work of the Central Women's Institute.

A request from Mrs. Lucas, of the Saanich Health Centre, for names of members, having small children who would like to take advantage of the baby clinic was the subject of much discussion. The secretary would co-operate in any way if requests from mothers of the district for such services were received.

Mrs. Parsell, who was unable to be present to give her demonstration on rug-making, sent an interesting paper which was read by Mrs. Gold, containing instructions for the making of some old-fashioned rugs. She also stressed the importance of knowing how to utilize the odds and ends which are to be found in every household and the pleasure that patchwork, rug-making, and other old-fashioned arts has brought to invalids and women who live in isolated places. A vote of thanks to Mrs. Parsell was given by the institute members.

It was decided to hold the annual bazaar in December 18th, with Mrs. J. H. Sutton as general convener. The following conveners were then chosen: Needlework, Mrs. T. Gold; 5c, 10c and 15c booth, Mrs. F. Young; Home-cooking, Mrs. McQueen; Candy, Miss Iola Lewis; Girls' Fancy Work, Miss F. Gale; Tea Room, Mrs. Ames; Christmas Cake, Mrs. Nimmo; Christmas Hamper, Mrs. Hafer. The programme for the evening will be in charge of the junior members of the institute. In response to a call for volunteers to take charge of arrangements for the card party on December 25, the following ladies offered their services: Mrs. Hafer, Mrs. Wood and Mrs. F. Young.

COBBLE HILL

COBBLE HILL, Nov. 19.—A sale of work by the Ladies' Aid of the Methodist Church was opened at 9 a. m. on Thursday last in a portion of the premises of Messrs Macklin & Napier, Ltd., which they very kindly lent for the occasion. Those in charge of the sales were: Mrs. Barry, Mrs. Manley, Mrs. Chapman and Mrs. Plumb. Tea and refreshments were

served by Mrs. Stephenson, Mrs. J. H. Smith and Mrs. M. Chapman. Misses A. Barry and D. Nott. The sale was continued throughout the day and the result was quite satisfactory, although it was noticeable that many articles were priced very much too cheaply. The net proceeds will be about \$35. The Ladies' Aid may possibly hold another sale before Christmas.

A very large attendance is expected at the Community Hall on Thursday next, when the Dramatic Society will produce "The Golden Moths" (Pierrots) and the "Bathroom Door." The net proceeds of the entertainment are to be devoted to fencing and laying out of a small garden around the War Memorial. At the present time the Ancient Order of Foresters has about \$25 on hand towards the object, and it is hoped that after Thursday there will be funds enough to carry out the work.

GENTLEMAN THANKED

Members of the West Saanich Women's Institute desire to express their thanks to the gentleman who so kindly gave of their time and labor towards the erection of their new hall at Bluggett. Clearing, excavating, and the hauling of gravel, were all done free of charge, and it is estimated that labor to the amount of \$144 was donated. A cash contribution from Rev. M. Bruce, Mount Newton, was also much appreciated.

PLANNING MEMORIAL

LANGFORD, Nov. 20.—There is no memorial in this neighborhood to those comrades who made the supreme sacrifice in the late war, so at a recent meeting of the Langford W.A. the ladies decided to start a fund for this purpose. They are hoping to eventually place a stained glass window, probably above the altar in the new church, which is expected to be built on the Goldstream Road in the early spring, the site having been given for that object eleven years ago by Mr. Alfred Taylor. At the W.A. sale of work, which will be held on Wednesday, November 29, for the building fund, there will be a special "talent stall," presided over by Mrs. Phipps, the treasurer for this fund.

DEATHS AT NANAIMO

NANAIMO, Nov. 20.—The death occurred this morning of Elizabeth Shearer, wife of Mr. Neil Shearer, of Lantzville. Deceased was a native of Sydney, Australia, aged 34 years, and had resided here for the past ten years. Besides her husband, she is survived by five sons and two daughters. Her father, Mr. Matthew Fleming, resides at Lantzville. The funeral will take place on Wednesday afternoon, Nov. 22, at 2 o'clock, officiating, Rev. Mr. Lister officiating. The death occurred at the family residence, Quilicum, last night, of Mildred Lillian Graham, daughter of Mr. and Mrs. George Graham, former well-known residents of Nanaimo.

mo and Chamaus. She is survived by her parents and one brother, William. She was a native of Chamaus, aged 17 years. The funeral will take place on Wednesday afternoon, Nov. 22, at 2 o'clock, officiating, Rev. Mr. Ewing officiating.

CRUISER AT COMOX

COURTENAY, Nov. 20.—H.M.S. Capetown, riding at anchor in Comox

Bay, has been the object of great interest since she arrived on Friday morning. On Saturday the cruiser was visited by the Boys' Naval Brigade, in charge of Capt. E. Lloyd. Yesterday the Capetown was the centre of attraction for hundreds of Comoxians. H.M.S. Patriot is expected in the bay within a few days.

Nearly all engines require a heavier oil in Summer than in Winter.

How Ironized Yeast Fills Out Figure

And Puts New "Pop" and Energy in Thin, Nervous Rundown Folks

For thin folks to gain five pounds or more on the first few packages is not unusual. As for increasing "pop", appetite and energy, apparent "miracles" are reported by folks who were formerly run-down, weak, and lacking in physical and mental vigor.

Here is the Secret!

Nature intended that you should have a well developed figure, with the clear skin, sparkling eyes, strong nerves and rugged strength that goes with it. If you are thin and run-down it is because certain of Nature's laws have been disobeyed. Nature requires that we get a proper amount of vitamins and iron into our systems. But these two essential elements are lacking in the modern diet. The thing to do is to supply this lack by taking Ironized Yeast tablets with each meal. They contain in highly concentrated form a specially cultured yeast grown under the strictest supervision for medicinal purposes—a yeast unequalled for its richness in the essential Water Soluble B vitamins. In addition it contains the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health. These three vitamins bring excellent results even if taken alone—but when taken with a proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!

Watch the Results! How IRONIZED YEAST increases your appetite—how it enables you to get out of every morose of food you eat. See how it clears your complexion and lets your body respond to every demand. Makes hard work or play a pleasure instead of a task. Try IRONIZED YEAST today! Pleasant to take—will not cause gas or in any way upset the stomach. Special directions for children. Go to your druggist now!

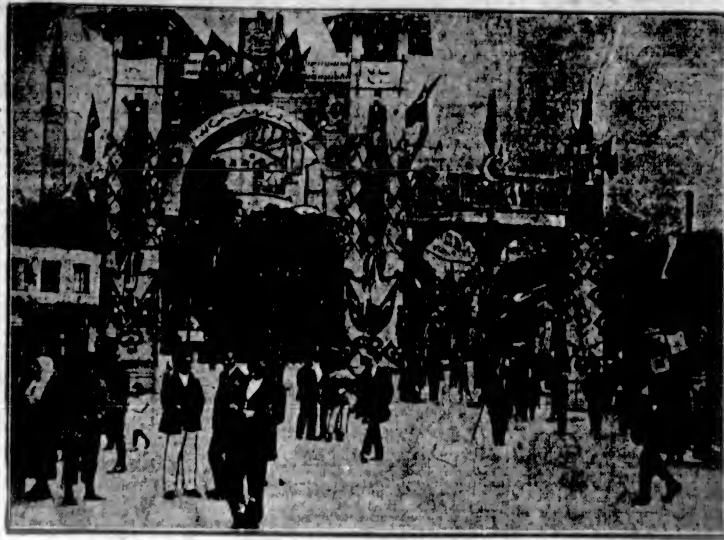

Warning! Be sure you get the genuine IRONIZED YEAST. It does not come in bottles. Genuine IRONIZED YEAST is packed only in boxes, each tablet sealed in air tight cups. Sold by all druggists at \$1.00 per package. Harold F. Ritchie & Co., Ltd., Sales Agents, Toronto.

The sooner you begin taking IRONIZED YEAST the sooner you will get back your normal condition
